When Online Content Disappears

38% of webpages that existed in 2013 are no longer accessible a decade later

BY ATHENA CHAPEKIS, SAMUEL BESTVATER, EMMA REMY AND GONZALO RIVERO

Ready-to-use tools to safeguard digital objects published online are required

Arquivo.pt Catalog

Services catalog of the Arquivo.pt web archive

Last updated on October 26th, 2023 at 05:47 pm

Public services

- [Search and access](#) web-archived data since the 1990s
- [Application Programming Interfaces \(APIs\)](#)
- [Suggest websites](#) to be preserved
- [SavePageNow](#): immediately archive web pages
- [Integration of historical web data collections](#)
- [Training](#) on web preservation
- [Open data](#) listing archived web information on various topics
- [CitationSaver](#): extracts links from documents and archives the correspondent web pages
- [Arquivo404](#): presents web-archived pages instead of "pages not found"

For partners

- [Memorial](#) preserves your old website information before deactivating it
- High-quality archive of websites ([on-demand](#))
- [Creation of collections and thematic exhibitions](#)
- [Itinerant exhibition of posters at your facilities](#)

Toolkit of 13 **free** tools to preserve digital objects published online.

Anyone can contribute to safeguard Humanity's Digital Legacy.

arquivo.pt/catalog

Tools for **acquisition**: collect before it vanishes!

- Suggest websites
- SavePageNow
- Integration of historical web data collections
- CitationSaver
- High-quality archive
- Memorial

Save page now: **immediately archive** a webpage

ARQUIVO.PT

■ SavePageNow Record webpages on Arquivo.pt

Record

e.g. www.fccn.pt

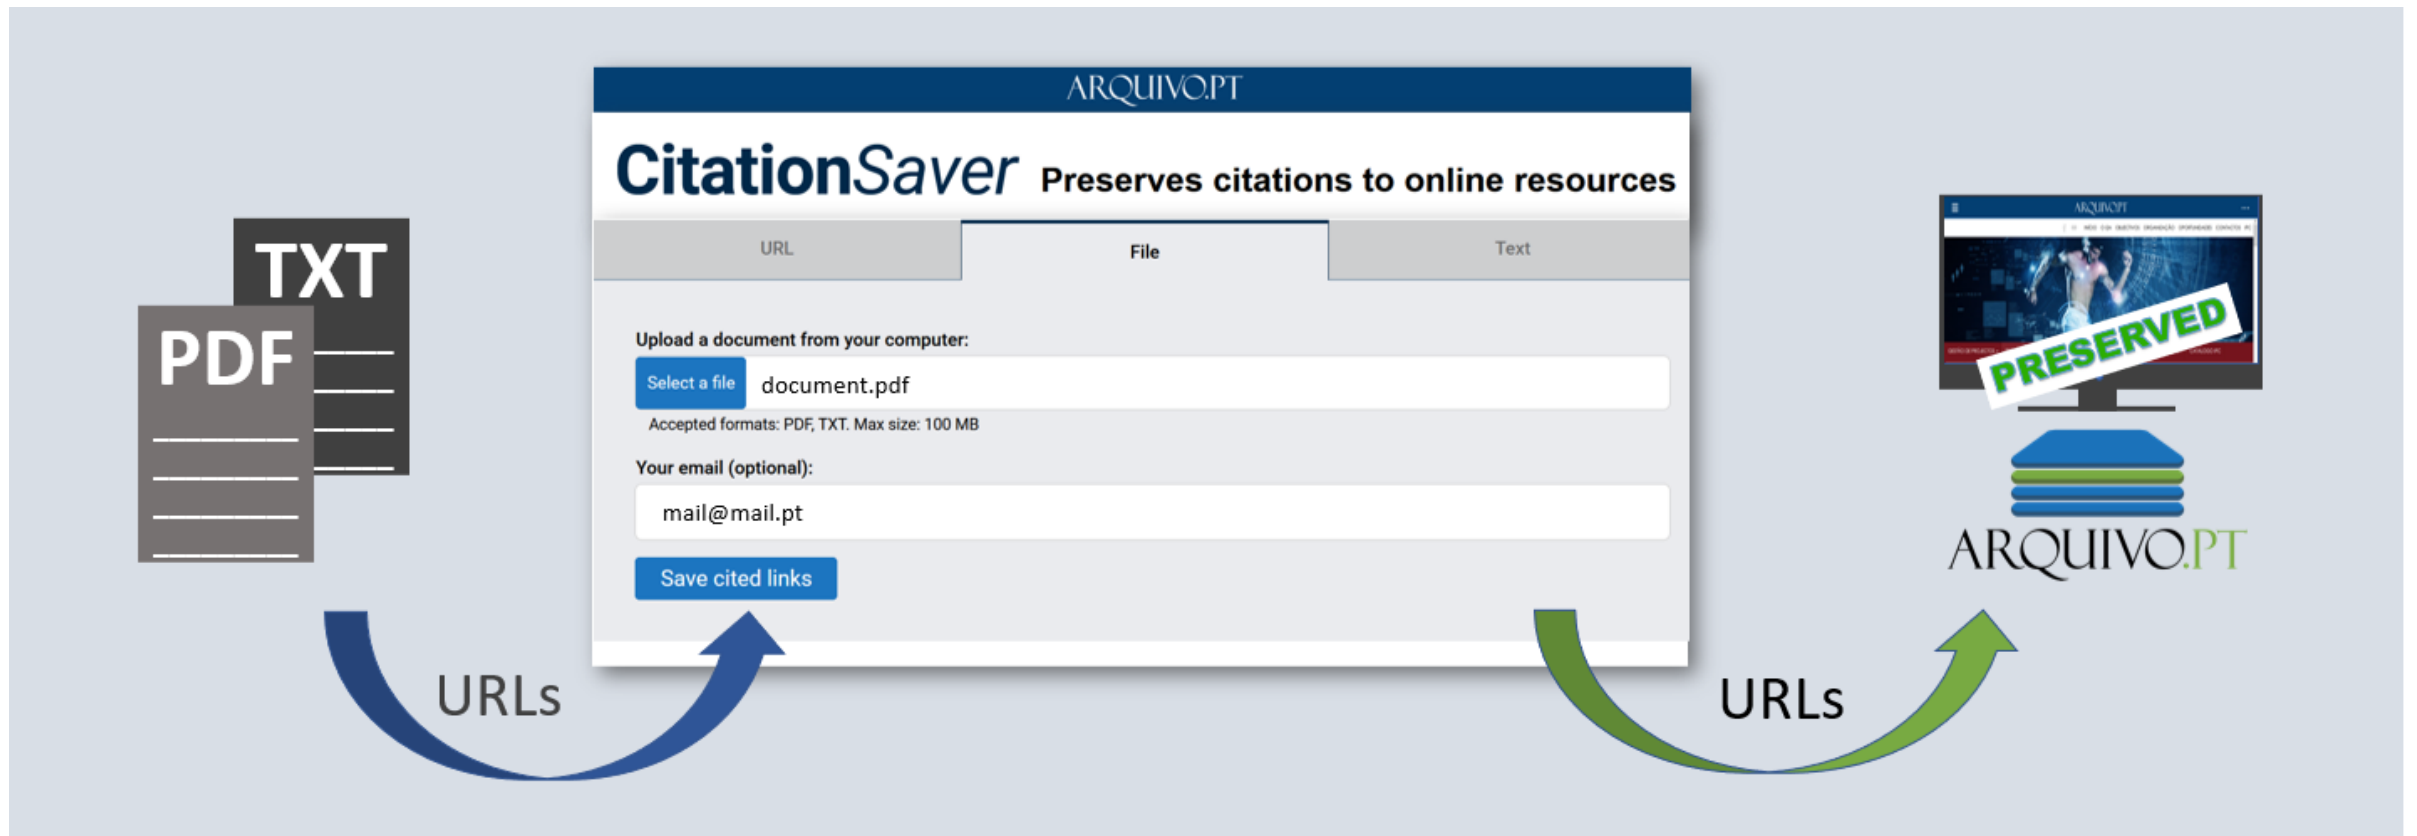

The SavePageNow service allows a page to be archived at the exact moment the user makes the request.

The archived contents are later integrated in the Arquivo.pt collection.

[Learn more](#)

arquivo.pt/savepagenow

CitationSaver preserves links cited in documents

arquivo.pt/citationsaver

Arquivo.pt Memorial: preserves the content of deactivated websites

INÍCIO NOTÍCIAS GRÁFICOS RECURSOS

O presente conteúdo encontra-se disponível em Flash. Nele são expressas as linhas de acção da UMIC:

- Mobilizar a Sociedade e Estimular Redes de Colaboração
- Promover a Inclusão Social
- Assegurar a Segurança e Privacidade no Uso da Internet

Mobilizar a Sociedade da Informação e do Conhecimento

O desenvolvimento tecnológico ao serviço de uma cidadania moderna e de progresso exige uma sociedade da informação inclusiva onde o conhecimento é um valor ético, social, cultural e económico fundamental que promove a criação de riqueza e emprego, a qualidade de vida e o desenvolvimento social.

A UMIC - Agência para a Sociedade do Conhecimento, IP é o organismo público português com a missão de coordenar as políticas para a sociedade da informação e mobilizá-la através da promoção de actividades de divulgação, qualificação e investigação.

5ª Reunião do Grupo de Trabalho da CSTD da ONU sobre Melhorias do IGE - 22/02/2012

Realizou-se em 20-22 de Fevereiro de 2012, no Palácio das Nações, na ONU, em Genebra, Suíça, a 5ª Reunião do Grupo de Trabalho da CSTD sobre Melhorias do IGE. A CSTD - Commission on S&T for Development da ONU é uma comissão subsidiária do ECOSOC - Economic and Social Council da ONU e o IGF - Internet Governance Forum é um fórum multistakeholder criado na 2ª base da Cimeira Mundial sobre a Sociedade da Informação (WSIS - World Summit on Information Society), realizada em Novembro de 2005, em Túnis, Tunísia, que desde então se reuniu anualmente (em Atenas, Grécia (2006); no Rio de Janeiro, Brasil (2007); em Hyderabad, Índia (2008); em Sharm El Sheikh, Egito (2009); em Vilnius, Lituânia (2010); em Bairodi, Quênia (2011)).

A reunião começou com uma apresentação do Presidente do Grupo de Trabalho, Peter Major (Hungria), em que traçou o objectivo de finalizar o relatório do Grupo de Trabalho, com base no *Chairman's draft recommendations on the basis of the consolidated version of the rolling document* que tinha enviado aos membros do Grupo de Trabalho uns dias antes, e foi essencialmente dedicada a redigir recomendações com base nos amplos acordos ("broad agreements") resultantes das duas reuniões precedentes e esboçados no documento preparado pelo Presidente, organizadas da forma seguinte: (A) Dar forma (*shaping*) aos resultados (*outcomes*) das reuniões do IGF; (B) Modalidades de trabalho incluindo consultas abertas; (M) G - Multistakeholder Advisory Group e Secretariado; (C) Financiamento do IGF; (D) Alargamento da participação; (E) Ligações do IGF a outros processos/mecanismos/entidades.

You are here: Home

Our digital memory accessible tomorrow

The Digital Preservation Coalition (DPC) is an advocate and catalyst for digital preservation, enabling our members to deliver resilient long-term access to content and services, and helping them derive enduring value from digital collections. We raise awareness of the importance of the preservation of digital material and the attendant strategic, cultural and technological issues. We are a not-for-profit membership organisation and we support our members through knowledge exchange, capacity building, assurance, advocacy and partnership. Our vision is to make our digital memory accessible tomorrow.

Replay options: complete the page!

The image illustrates the process of using browser replay options to complete a webpage. It consists of three sequential screenshots connected by red arrows:

- Desktop Browser:** Shows a desktop browser window with the URL `http://mers-virus.blogspot.pt/...` and the date `7 Setembro às 11:27, 2015`. The page title is **MERS Watch**. A red box highlights the **Options** button in the top right corner.
- Mobile Browser Options:** Shows the mobile browser interface with the **Options** menu open. The menu items include **List versions**, **Technical details**, **Screenshot**, **Print**, **Complete page** (highlighted with a red box), **Fullscreen**, and **Replay with old browser**.
- Mobile Browser Page:** Shows the mobile browser displaying the **MERS Watch** page. A red box highlights the image placeholder in the article content, which is labeled **MERS Deaths**.
